Power connector

Screen Specifications

83 inch screen, standardized design

83inch

70inch

The pictures are all reference pictures, and all effects are subject to the actual installation

Unique Back Cover

The wavy design is beautiful and atmospheric.

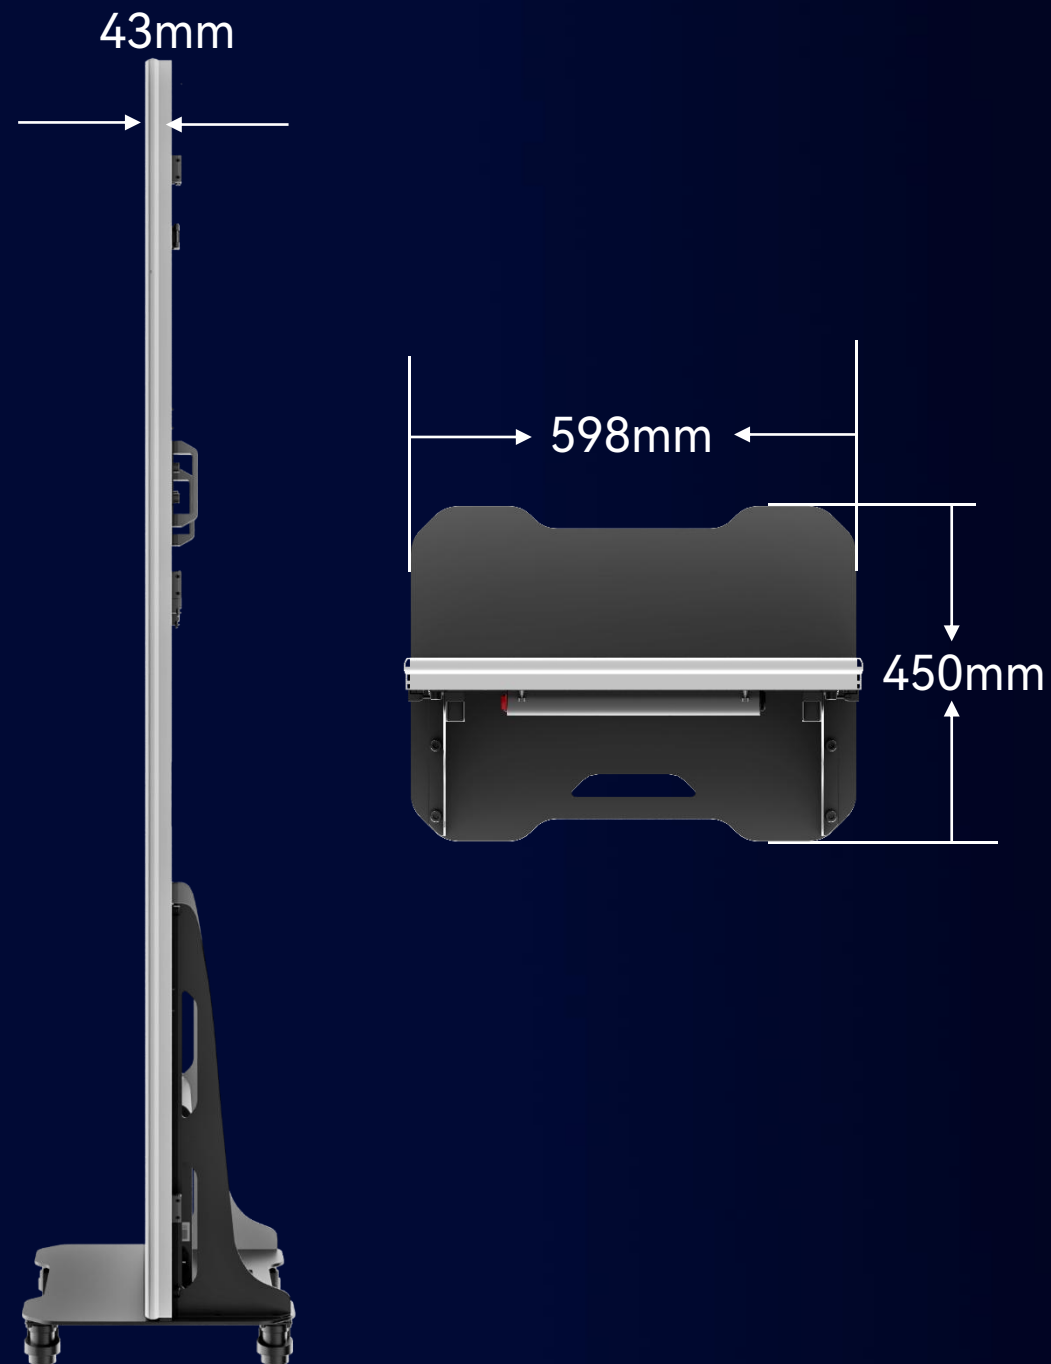

Semi-circular design

Smooth semi-circular design enhances the grip feel

Ultra-slim Design

The ultra-slim design ensures maximum use of space

Stable and Reliable

Stable, rounded feet enhance stability and reliability and reduce shaking.

The pictures are all reference pictures, and all effects are subject to the actual installation

Seamless Splicing

Equipped with self-locking hinges, the bezel is easy to flip and flexible.

The pictures are all reference pictures, and all effects are subject to the actual installation

HD Quality

Standard 2K resolution, vivid colors, outstanding contrast, delicate and clear pictures

The pictures are all reference pictures, and all effects are subject to the actual installation

Standard Splicing

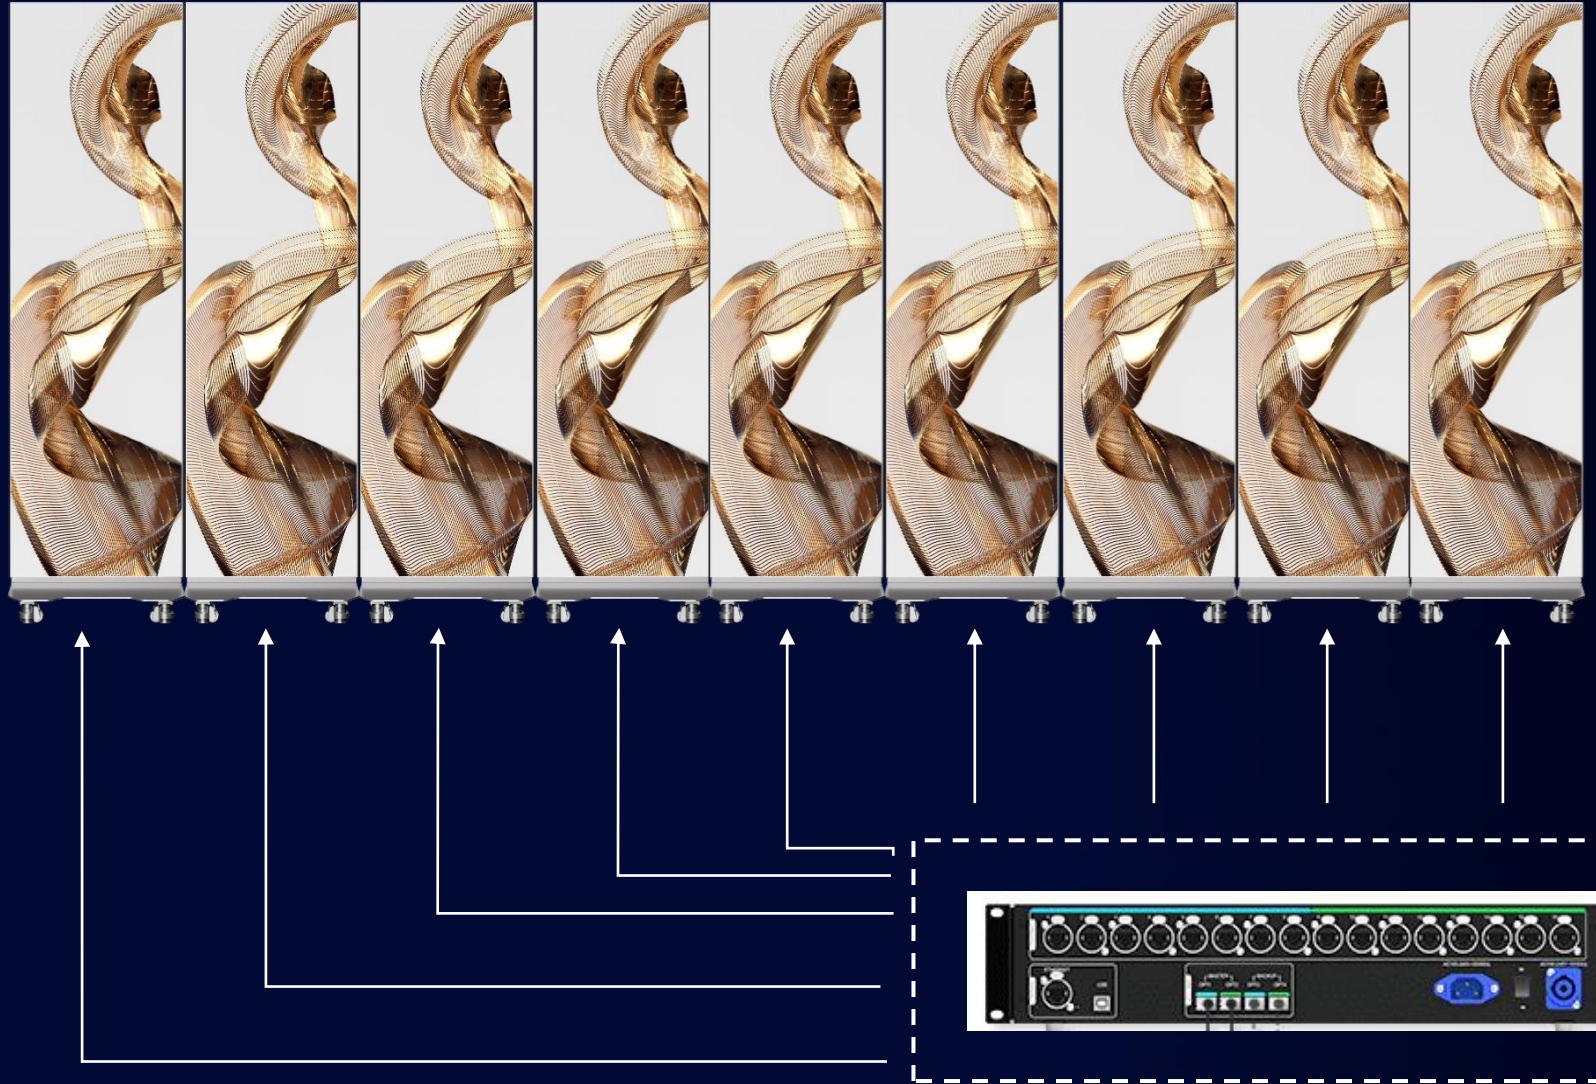

The HDMI port of the screen body realizes 6 standard splicing

The pictures are all reference pictures, and all effects are subject to the actual installation

Multiple Splicing

The use of aviation plug network port can realize the splicing of multiple screens

Superior load-bearing

The base is equipped with a Fuma wheel and a base handle design, which is labor-saving and convenient, and has excellent load-bearing performance

01

System Compatibility

Compatibility with a wide range of Android apps and devices.

02

System Fluency

Optimize system resource management, run smoothly, and respond faster.

03

System Security

Strengthen system security, more comprehensive security protection, and ensure data security.

A variety of playback methods, more convenient operation

Synchronous
playback

USB flash
drive playback

Asynchronous
playback

Cluster cloud
playback

HDMI input

USB flash
drive input

Mobile phone computer
Wireless control

LAN playback

Cluster cloud
playback

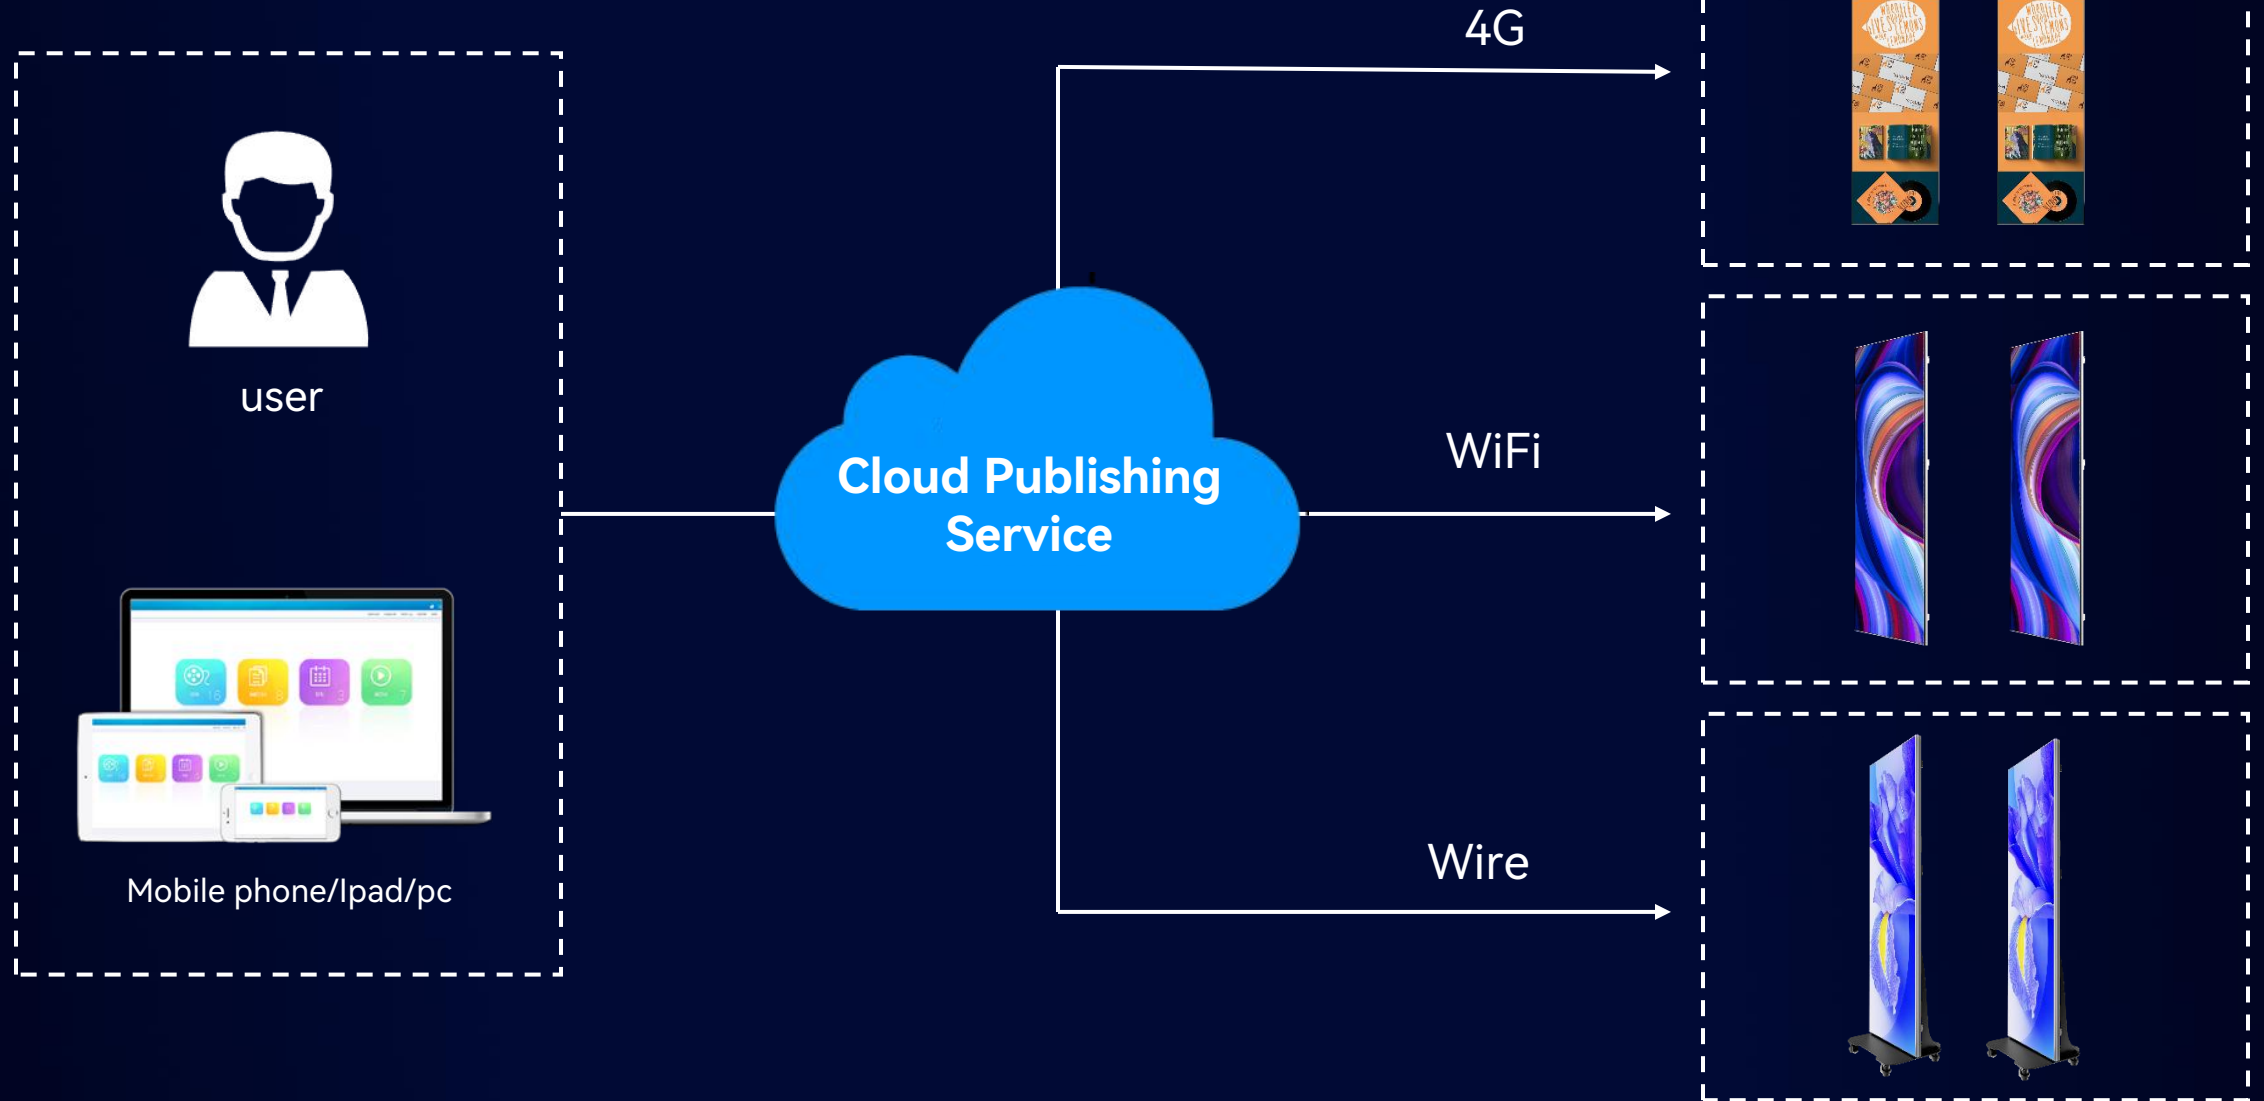

Intelligent cloud cluster management

Take control of what's happening on the go

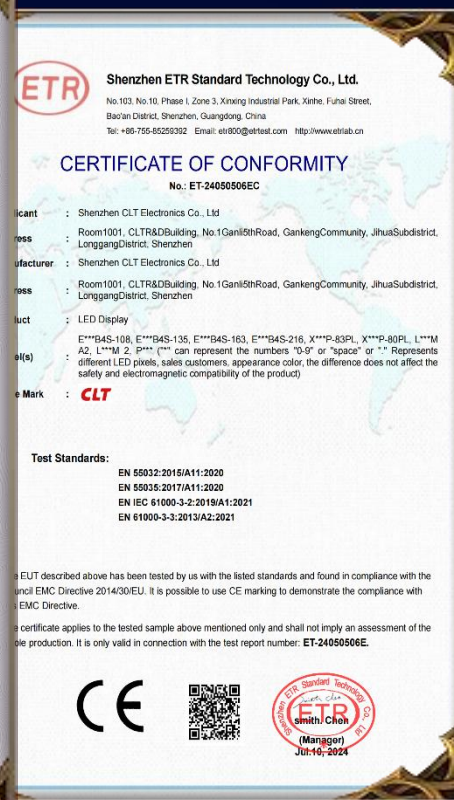

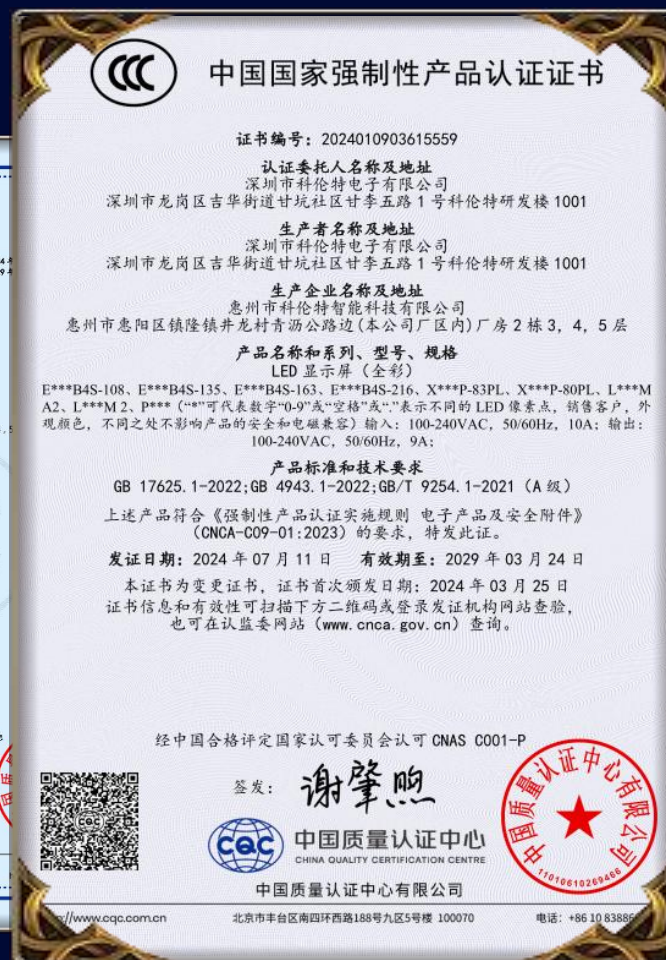

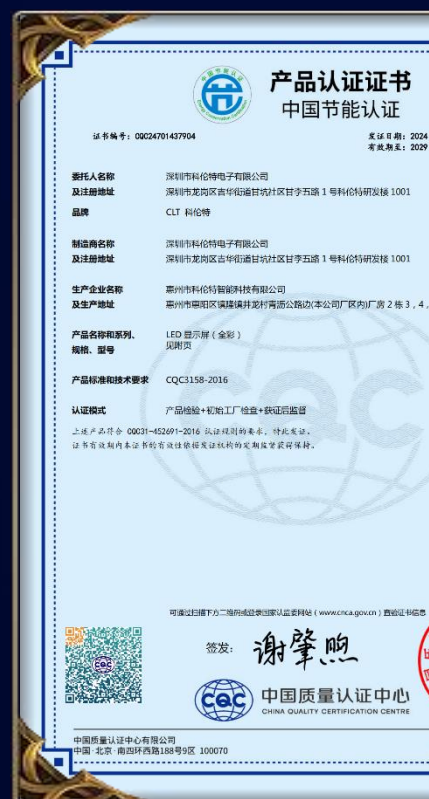

The pictures are all reference pictures, and all effects are subject to the actual installation

Intelligent cloud playback architecture

The pictures are all reference pictures, and all effects are subject to the actual installation

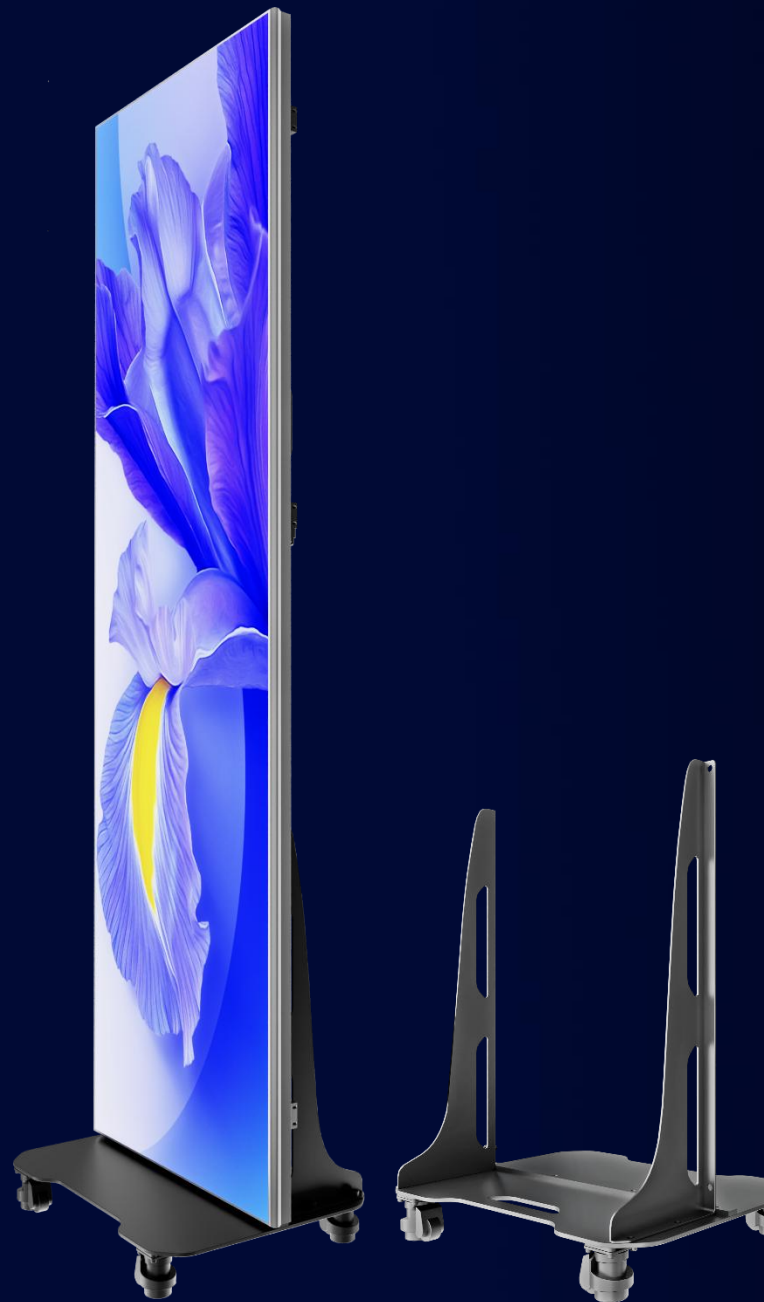

3C、CE、Energy-saving certificates

Seat mounting

Supports base mounting, easy to move

The pictures are all reference pictures, and all effects are subject to the actual installation
